*The Journal of Reprints
for Antitrust Law and Economics*

announces the publication of its compilation of
eminent articles on the issue of

**RELEVANT MARKETS
IN ANTITRUST**

(Vol. XIV, No. 2)

*Guest Editors: Kenneth G. Elzinga
and Robert A. Rogowsky*

This important issue concentrates on **market definition**. The articles explore the notions of *market concept*, *market delineation* and *market power*.

The carefully selected readings in the volume contribute to a solid understanding of the economic principles that underly market definition and a basic knowledge of the law as it now stands.
